

THE VERNON RECORD

VOLUME NO. 11

VERNON, WILBARGER COUNTY, TEXAS, MAY 28, 1918

NUMBER 38

CROWD CHEERS FOR 29 MEN ENTRAINED FOR CAMP TRAVIS

Ten Callings Represented in Party Which Left Saturday in Charge of Ray Albright—3 Local Registrants Go From Other Places—Orders Received to Get 11 Negroes Ready.

Several hundred fathers, mothers, brothers, sisters, and sweet hearts gathered at the depot Saturday at noon to see Wilbarger's quota for the recent draft, depart for Camp Travis. Comparatively few tears were shed, but everybody was quiet with suppressed emotion as they saw their boys go forth to help make the world safe for Democracy, some of them perhaps, never to return. The boys seemed to be in high spirits.

Men on the train from points farther up the Denver, seemed to be enjoying themselves, but there was a spirit of seriousness upon them all. A hearty cheer bade farewell to all of them as the train pulled out.

The following twenty-four men were entrained for Wilbarger county:

Price Knox Riley, Burl Bryant, Onie Simmons, Lloyd L. Lynch, Thead Kneift, Valley Everett Rose, Samuel Clifton Starr, Frank Barrett, Clement J. Huff, John Lingman, Benjamin C. Ketchersid, William H. Shearer, John W. F. Bell, Otto J. Drake, Seab Matt Britt, Roy E. Wagner, James O. Burke, Morris Abston, Newton Hill Lassiter, Robert T. McFarlane, Joseph F. Martin, Robert R. Price, Robert B. Arnold, James T. Reid.

It is interesting to note that of these twenty-four men, ten were farmers, four were laborers, and three were auto drivers or mechanics. One person in the party represented each of the following: teacher, student, barber, shoemaker, meatcutter, oil man, and gun man.

The following three men were sent for the Wilbarger Board by the local Boards at the places stated after the names: Homer Goldman Pierce, Lubbock; Leonard Carey, Deming, N. M.; Roy Peoples, Carthage, Miss.

The Wilbarger county Exemption Board sent five men to camp for the Boards in whose jurisdiction are the towns after the following names: Ray Albright, Globe, Arizona; James Edward Morrow, Wichita county; Howard Carlyle, Bisbee, Ariz.; Howard Chadwick, Tahoka, Lynn county; Frank Martin, Floydada.

The squad of men from this county were under the command of Ray Albright, and four assistants, James O. Burke, Newton H. Lassiter, William H. Shearer, and Burl Bryant.

The Local Board has not been officially notified of any more draft calls, except to prepare eleven negroes for entrainment on a date to be set later.

RED CROSS COYOTE SHIPPED.

Rayland Men Buy Baby Wolf and Send Him to Grapeland to Be Auctioned There.

J. H. Jordan and Jerry Clark were in Vernon from Rayland Saturday with a baby coyote on whose neck was tied a red ribbon, representing that the animal was Red Cross property.

The coyote was no larger than a week-old pup and resembled one. It was sold several times for the Red Cross at Rayland, and Messrs. Jordan and Clark bid it in for \$2.50. They then decided to send the baby wolf to Grapeland, where such animals are rare, and have it sold for the Red Cross.

The box in which the coyote was shipped was labeled all over with emblems of the Red Cross.

Works for Red Cross — Home Burns.

While the Rev. G. J. Rousseau, chairman of the Winnboro Red Cross chapter, was assisting in celebrating the raising of his town's quota Saturday, fire destroyed his home. Practically all of the minister's household effects were lost in the burning of the parsonage. While the fire still burned a meeting was called in the church and a free-will offering made to reimburse Mr. Rousseau for his loss. Mr. Rousseau will be remembered by many in Vernon as a speaker with the Liberty Loan train which visited this place in March.

MEN 21 THIS YEAR TO ANSWER MANY QUESTIONS JUNE 5

Males Who Have Become of Age Since General Registration Last Summer Will Sign Up for Service Thursday Week—Natives, Aliens, and Naturalized Persons Must Register.

When the young men of Wilbarger county who have become twenty-one since the registration for military service last year, present themselves before the registration boards on June 5, they will be required to fill out carefully answers to the following questions:

1. Name in full. This means all your names spelled out in full. Age in years. Disregard additional months or days.

2. Home address. This means the place where you permanently reside, not the place where you work. Be prepared to give the address in this way: "232 Main Street, Vernon, Wilbarger County, Texas," or "R. F. D. No. 2, Harrold, Texas."

3. Date of birth. To be required to register you must have been born in 1896, in a month and day after June 5, or in 1897, in a month and day prior to, or on the date set for, registration.

4. Where were you born? Name the city or town, then the state, then the nation; as "Vernon, Texas;" "Vienna, Austria."

5. Are you (1) a native of the United States; (2) a naturalized citizen; (3) an alien; (4) have you declared your intention to become a citizen; (5) or are you a citizen or non-citizen Indian? (Specify which).

(1). If you were born in the United States, including Alaska and Hawaii, you are a native of the United States, no matter what may have been the citizenship or nationality of your parents. All inhabitants of Porto Rico are citizens of Porto Rico and of the United States, unless they elected to declare before a court of record their intention of remaining Spanish subjects, on or before April 11, 1900. If you were born abroad you are still a citizen of the United States if your father was a citizen of the United States at the time you were born, unless you have expatriated your self.

Terms Explained.

(2). You are a naturalized citizen if you have completed your naturalization; that is, if you have "taken final papers." But you are not a citizen if you have only declared your intention to become a citizen (that is, if you have only "taken out first papers"); in the latter case you are a "declarant."

You are also a naturalized citizen if, although foreign born, your father or surviving parent became fully naturalized while you were under 21 years of age, and if you were in the United States at the time you attained the age of 21.

In explanation of this ruling, the letter to Mr. Morgan states:

"Alien property includes, among others, all property, beneficial or otherwise, owned by such enemy alone or jointly with others or held on behalf of such enemy; also debts due such enemy, corporation, stocks, certificates representing shares in unincorporated associations, policies of insurance which may be owned by any such enemy or in which any interest is so owned; safe deposit boxes leased by or for an enemy, property held by any administrator, guardian, receiver, trustee, or in any fiduciary capacity in respect to which any enemy has an interest. The act includes, of course, all other classes of property, real or personal, owned, in whole or in part, by or held in any trust capacity for such enemy."

(4). An Indian is a citizen if (1) he, or his father or mother, prior to his birth or before he attained the age of 21 years was allotted prior to May 8, 1906; (2) if he was allotted subsequently to May 8, 1906, and received a patent in fee to his land; (3) if he was residing in the old Indian Territory on March 3, 1901; (4) if he lives separate and apart from his tribe and has adopted the habits of civilized life.

(5). You are an alien if you do not fall within one of the four classes above mentioned.

Father's Birthplace Wanted.

If not a citizen, of what nation are you a citizen or subject? This need be answered only by aliens and "declarants." Remember that a "declarant" is not yet a citizen of the United States. If an alien or declarant, state the name of your country, as "France" or "Germany."

7. Father's birthplace. First name the city, or town, then State or province, then the nation; as "Dallas, Tex-

FRIDAY—VIOLA DANA in "BLUE JEANS"—Special
productions.

SATURDAY—ANN MURDOCK in "MY WIFE."

THEDA BARA AS CLEOPATRA

At the Theaters

More's.

Today—Hunger, the most primitive of all emotions, is the motive that supplies punch to many of the important scenes in Charlie Chaplin's new \$1,000,000 comedy, "A Dog's Life." Charlie Chaplin is awakened from a fence-corner by the tantalizing odor of steaming viands belonging to a passing hot-dog vendor. This leads to a number of adventures with the police, who resent Charlie's ambitions to eat without payment. Later on, a faithful dog, furnishing for something to eat, digs up a well-lined pocket-book that some crooks have buried. And when Charlie Chaplin attempts to spend the money in a nearby cafe, he meets the big moment of his career, for it brings him into contact with a beauteous cabaret singer, who is herself starved for love and kindness.

Wednesday and Thursday—Theda Bara as "Cleopatra," the Siren of the Nile, is said to be the most sumptuous and spectacular film drama ever produced. More than 50,000 persons paid to see "Cleopatra"—the most compelling love story of all history—during the first two weeks the big Theda Bara Super-production was shown at the Lyric Theatre in New York City. Egypt, that mystic land of the Pharaohs, is wonderfully depicted in its luxury and riotous extravagance. The Sphinx, the Pyramids and the desert eternal are all there. Ancient Rome with its Forum at the time of Caesar is reproduced. Seeing "Cleopatra" is like a personally conducted trip to ancient Egypt. It presents Egyptian, Roman soldiers, slaves, dancing girls, Greeks, Assyrians, Indians, and Parthians—all as they lived before the beginning of the Christian era.

Pictorium.

Today—Booted and spurred, with chaps and a wide sombrero, Charles Ray, the famous Thomas H. Ince star, is the central figure of the story of "Playing the Game." After a brief period on the Great White Way in New York, Mr. Ray, as a dissipated son of a millionaire, at a dinner given to some friends, knocks down and apparently kills Hickey Trent. He goes to Arizona to begin life anew, and finally lands on his own ranch, cowboy. He makes good, too.

Wednesday—Fox special production presenting beautiful and accomplished June Caprice in a five-act Photo-play, "The Heart of Romance." Charles

Murray will be shown in a two reel comedy feature attraction.

Thursday—"The Honor System," basically the picturization of the grief of millions. Its appeal is founded on the universality of human emotions. The deft touches in the film that bring the lump to the throat are real, not forced. Take, for instance, the scene of Joseph Stanton's departure for a post along the Mexican border. Stanton's aged mother has seen to it that "her boy" has been provided with a suit of new "store clothes." She stands at the gate of the little gravel path before the house and waves a sad farewell to him as he starts down the road to the depot. But even though her tired tear-dimmed eyes she spies something on his coat. It is the tag! "The picture is deserving of universal attendance," says the New York Morning Telegraph.

FARGO TO GRADUATE THREE.

Graduating School Exercises Will Be Held at Methodist Church Friday Night.

Archie Castlebury, Ruth and Floyd Lefors will be given diplomas at the graduating exercises of Fargo school Friday night. The commencement will be held in the Methodist church. This closes Professor D. H. Norris' second year as principal, and he says they have had a good school, despite the continued dry weather.

Following is the program: opening song, "All Hail the Power of Jesus' Name"; Invocation, Rev. C. V. Carroll; Valedictory, Archie Castlebury; Piano solo, Mrs. D. L. Lovelace; Address, Hon. W. N. Stokes; Vocal Solo, Miss Lemoine Switzer; Presentation of Diplomas, County Superintendent L. A. Hollar; Dismissal, Rev. C. V. Carroll.

Rev. Ben M. Edwards will go to Royston City tonight to deliver his lecture on the subject, "If We Knew." Mr. Edwards preached the commencement sermon and made a Red Cross address at Royston City Sunday and Sunday night.

Three men can bale two to three tons per hour with a blockless self-threading hay press. Built in three sizes, Williams Mill Mfg. Co., Texarkana, Arkansas. Adv. 35-414

James Mitchell, brother-in-law of Rev. S. E. Lloyd, left today for his home in Nebraska. He spent the winter with his son, Chauncey Mitchell, who lives close to Red River bridge.

HEROES OF FRANCE WITH CHAUTAUQUA

WAR EDITOR OF NEW YORK HERALD WHO WILL SPEAK HAS 15 WOUNDS.

Fourteen programs will be included in the 1918 chautauqua which the Redpath-Horner Company will begin in Vernon June 15. It will continue seven days and nights.

"The present critical conditions in America demand a chautauqua program of unusual character," says Charles F. Horner, and he announces that the chautauqua program on the Premier Circuit which comes to Vernon this season is "the most brilliant, timely, pointed, and beautiful that it has ever been, my privilege to construct."

"Patriotism must certainly come first of all," Mr. Horner continues. "The heroic records and actual experiences of the people who will talk on the war entitle them to a place on the Premier program. Captain Fallon, Lieutenant Louther, Mrs. Warren, a nurse in a line hospital, and Sergeant Marr and the Trench Singers, will give a new and broader outlook on the war and a clearer perception of the gigantic struggles now going on."

"Fighting Through Hell" is the startling subject of the stirring story told by Captain Fallon, a wounded and invalided veteran of the British and Australian trenches. Captain Fallon carries fifteen wounds. As a proof of his literary ability, it is sufficient to say that he was war editor of the New York Herald before taking up lecturing. Lieutenant Louther is now in France as a member of the American Red Cross Commission but will return in time to address the Chautauqua, and will deliver a tremendously important war message.

Mr. Horner has secured Cimera's Band for a program. It has a record of six successful seasons in the East. Miss Margaret Owens, prima donna of the Boston Grand Opera, is a soloist whose appearance will be particularly appreciated by critical lovers of music.

The Ladies' Regimental Orchestra comes on the first day of the Chautauqua with a stirring program of patriotic, military music. Thurlow Lieurance and the Premier Artists will feature the good old songs. Eve Anderson and Company will bring a program of vocal selections, violin music, and character sketches. Cares can be thrown to the winds on the third day, when the "Joy Girl De Luxe," Edna Means, stands on the platform.

There is humor and wit, and yet tremendous earnestness to Dr. Ira Landrith, who is one of the speakers secured for this season. On one of the Chautauqua afternoons, Raphael Emmanuel, who was born and reared in Mesopotamia, will give an interesting account of his native Oriental country. John B. Ratto will give most instructive representations of great characters of history, such as Lincoln and Washington.

"The Climax," a play which has had a wonderful success in New York, will bring a story of tremendous interest, with thrilling situations and a faultless cast. Eugene Laurant, with Helen Branard and a company of assistants, will provide an entertainment of magic and mystery that will be one of the most popular programs of the Chautauqua. Mountaville Wood, whose inventions have been discussed in hundreds of the largest magazines, will give interesting and practical demonstrations of modern inventions, such as the depth bomb and the "torpedo with ears."

Rayland to Observe Day of Prayer. Rev. W. T. Hightower of Rayland was in Vernon yesterday, and advises that his community will observe Thursday as a day of prayer and fasting, according to President Wilson's proclamation. Rev. Hightower will conduct the service Thursday. In the afternoon Rev. W. T. Rouse of Vernon will lecture on "German Atrocities."

VERNON BANKER'S FRIENDS ELATED

"Twelve years ago I became afflicted with stomach trouble which steadily became worse until 2 years ago I frequently became prostrated with colic attacks and bloating. My doctors wanted to operate for gall stones. I wished to avoid an operation and on advice of a friend tried Mayr's Wonderful Remedy with excellent results as since taking it about 2 years ago my trouble has entirely disappeared. It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. It is a simple harmless preparation that removes the catarrhal mucus, etc. One dose will convince or money refunded.

Adv. T. M. FERGESSON, Druggist.

FASTING AND PRAYER.

The first act of our fathers at Plymouth Rock was to fall on their knees, "and then," some humorist has added, "they fell on the aborigines." Theirs was a problem of making America safe for the white man. A century and a half later George Washington, struggling for the liberties of the colonies, prayed and fought, and won.

Lee and Jackson, and the other heroes of America, have invariably asked the council of a Divine Father, and His guidance and blessing, on any undertaking.

"If I have an extra hard day ahead, I always arise an hour earlier and devote that time to prayer," said the great Gladstone.

No wonder, with the example of these men, that Woodrow Wilson has set aside Thursday as a day of fasting and prayer for an early and a lasting peace. Fortunate it is for the whole world that at this time there is at the head of affairs in America a man who puts prayer before statesmanship, a man who knows that he is fighting a battle for humanity, and who is just as certain that "behind the dim unknown standeth God within the shadow, keeping watch above His own."

When all America prays, humbly, then we shall not be far from peace.

"Women's vote will be lighter now," says the headline of the metropolitan press. The reason therefore is that women, when they register to vote, must give their exact ages! Merely affirming that they are "over 21" will not do. "How old are you, Madam?" will ask the registrar, and Madam must tell, or she can't vote! The ruling was given at the request of a woman lawyer, who warned that if the women had to give their exact ages their vote would be greatly reduced. Since she may attract through the ballot, perhaps it is less desirable that her exact age above "sweet 16" will be a mystery. However, the attorney general's assistants are sorry, but the law makes it plain. "How old are you, Madam?"

It is the patriotic duty of the people of Vernon to cut weeds, fight flies and take other steps that will promote the health of the community. We say it is patriotic because sickness impairs the war energies of the people. In this struggle against German barbarism every man, woman and child has a part to perform. Health promotion is the best sort of efficiency. The labor of every able-bodied person is needed. Those who permit weed patches or other disease-breeding places to exist in Vernon are weakening the fighting power of the nation. No real patriot will persist in a policy which postpones victory.

The city of Stamford is floating nearly half a million dollars worth of bonds for needed improvements, principally of its water supply. This, in the face of a two years' drought, displays a spirit that will build a city. Droughts will recur in Stamford just as they will in other sec-

tions, but the indomitable will of a united citizenship will overcome this and all other obstacles. Rain will come again eventually, as war will close some day, and the town that keeps steering ahead will be the winner.

Current Comment

The Spirit of Hawaii.

So far as Hawaii is concerned, the real lesson of the great battle in France and Flanders is that the American Red Cross must be doubled, tripled, quadrupled in scope during the next few months. Our own men are now on the fighting line, a hundred or two hundred thousand, perhaps more, but not a great many more actively on the battle fronts of the new offensive. But within a few months we shall have a half million and by 1919 perhaps considerably over one million. And then, when our casualty cases begin to flow like rivers back from the trenches to the rail heads and thence to the hospitals, we shall need every bandage, every dressing, every nurse, every doctor, every kindly care and attention that a great Nation can give to its hero wounded and suffering. The big Red Cross "drive" starts soon. As you read the war news these days, remember that it is a certainty our boys in great numbers will soon be needing the ministrations and care made possible through hearty, staunch support of the Red Cross.—From an editorial in the Honolulu Star-Bulletin.

Honors of the Loan Campaign. The award of Liberty Loan honor flags reveals a curious disparity in the record of oversubscriptions of quotas by districts and cities. Delaware leads all the States, and of the 20,000 flags distributed more than half were won by the districts of Chicago, Minneapolis and Cleveland.

Hartford led all the five classes of cities with a percentage of 251, and other New England cities of the same class on the list are Portland, Holyoke, New Bedford, Springfield, Manchester and Waterbury. No other city in this category further east than Evansville, Ind., passed its quota, and the others to which the honor belongs are Salt Lake City, Tacoma, Savannah, Jacksonville, San Antonio, Houston, Fort Worth, Dallas, Duluth, Des Moines, Kansas City, Kans., Wichita and Oklahoma City.

Of cities of between 25,000 and 50,000 population the flag winners are all south of Mason and Dixon's line or west of the Alleghanies. In the class between 100,000 and 250,000 are New Haven, Fall River, Lowell, Worcester and Providence, in New England, and in the rest of the country Birmingham, which leads with a percentage of 186, and Richmond, Atlanta, Seattle, Portland, Ore., St. Paul, Kansas City, Louisville, Denver, Omaha and Memphis. The cities between 250,000 and 500,000 which exceeded their quota are led by Washington and include San Francisco, Los Angeles, New Orleans, Minneapolis, Detroit and Milwaukee. Among the cities above 500,000 which qualified are Baltimore, Chicago, New York, St. Louis and Boston, with Boston again showing New England's standing with a percentage of 165.

It was a glorious rivalry, and to the winners belong the honors. But where in the race were the cities of all but the first class in the region between the Hudson River and the Lakes?—New York World.

Boschee's German Syrup will quiet your cough, soothe the inflammation of a sore throat and lungs, stop irritation in the bronchial tubes, insuring a good night's rest, free from coughing and with easy expectoration in the morning. WHITE ROSE CAFE

EXAMINATIONS FOR TEACHERS.

Tests for Certificates to be Held in Every County Friday and Saturday.

Examination for teachers certificates will be held in Vernon June 7 and 8, Friday and Saturday of next week. This is one of a series of examinations that will be held in all counties of the State, according to information received by L. A. Hollier, county superintendent, from the State Department of Education.

The state superintendent asks that the schedule be published, in order that teachers who are working to raise their certificates may know at what time examination in the subject which they desire to take is to be given. This schedule is as follows:

"Friday forenoon: Physical Geography, Physiology, Composition, Arithmetic, Literature, and Solid Geometry.

"Friday afternoon: Texas History, Grammar, Descriptive Geography, Plane Geometry, Psychology, Bookkeeping.

"Saturday forenoon: Spelling, Writing, Methods and Management, Civics, Reading, Chemistry, History, of Education.

"Saturday afternoon: United States History, General History, Agriculture, Algebra, Physics, Plane Trigonometry."

MISS GILBERT AN OFFICER.

Vernon Girl Elected Secretary of Student's Council at Texas Christian University.

Miss Lena Gilbert of Vernon has recently been honored by being elected secretary of the Students' Council of Texas Christian University at Fort Worth. This action is an endorsement of her popularity among the student body of that school.

Other Vernon girls who have been attending T. C. U. are Misses Anna Jo Pendleton and Thelma Smith. Miss Smith will remain at the University this summer for the summer school.

Royal Arch Masons Elect.

Vernon Chapter No. 192 Royal Arch Masons elected officers Friday night. Cy Long is High Priest; S. R. Pinkston King; D. P. Sink, Jr., Scribe; E. L. Witty, Secretary; Frank Mann, Treasurer. Installation will be at the next regular meeting, the fourth Friday night in June.

Notice to Contractors and Public.

We are going to raise our scale from \$4.50 to \$5.00 per 8-hour day, beginning July 1, 1918. Please govern your work accordingly.

RED CROSS MACHINE HERE.

Mrs. O. T. Warlick Will Operate Device Cutting All Garments for Auxiliaries in County.

The cutting machine recently purchased by the local chapter of the Red Cross has arrived, and, according to those who have witnessed its operation, is a wonder. The machine is driven by an electric motor, and, although it weighs but nine pounds, can cut one bolt of cloth in three minutes. The cost of the cutter was \$125, which is a reduced price to the Red Cross.

The machine cuts both surgical dressings and hospital garments, and will do the cutting for all Red Cross chapters and auxiliaries in the county.

The new acquisition is a great time saver, as only one woman is required to operate it, and several women are thus relieved of their duty of cutting and can be utilized in folding. Mrs. O. T. Warlick is in charge of the machine.

PREACH FOR PRESBYTERIANS.

Rev. W. F. Galbreath of Oak Cliff, Dallas, will be in Vernon Sunday Morning and Night.

Rev. W. F. Galbreath of Oak Cliff, Dallas, will be in Vernon Sunday, and preach at the Federated Presbyterian Church morning and night.

Rev. Galbreath is coming to Vernon to look over the field and give the Federated church opportunity to meet him, with a possible view of extending him a call. For that reason those in charge of the matter of securing a pastor are anxious that the entire membership of the church attend the services Sunday.

JASPER PENDLETON TO Ft. RILEY, KANS.

Jasper Pendleton, who has been employed in the First National Bank at Altus, Okla., has gone to Fort Riley, Kansas, where he enlisted as a musician. Mr. Pendleton is a nephew of Joe Pendleton and a brother of Clifford Pendleton of this city.

Professor Knox Kinard returned today from Lufkin, where he went to visit with his parents. He will go to Quanah Tuesday in response to call of the selective draft.

Aubrey Leekett left Saturday for Bowie, where he will attend a business college.

W.C.T.U. DISCUSSES WOMAN SUFFRAGE

WOMEN ARE INTERESTED IN CASTING INTELLIGENT BALLOT AT COMING ELECTION.

During the month of May, the ladies of the W.C.T.U. have been meeting in the home of Mrs. E. L. McHugh. On May 9th a regular business session was held and a car decorated for the Thrift page. Much credit is due the ladies who gave so freely of their time and strength in decorating the car. The society met again on May 23rd with a good attendance, and several visitors.

The society decided to use the following "Patriotic Hymn" as its opening song, and typewritten copies have been prepared for each member of the society:

Patriotic Hymn.

God bless our noble men
While they fight defend,

God bless our men.

Make them all live and true,
Faith in thyself,

Teach them to do—

God keep our men.

God keep our sons men
From all the sin of sin,

God keep our men.

When Satan will allure,

When tempted, let them pure;

Be their protectors sure—

God lead our men.

God lead our sons men
Against the host of sin,

God bless our men.

Do thou the way send,

And, with the way's end,

Triumphs we seek—

God lead our men.

God save our men,

Send them safe again.

God bless our men.

Make them virtuous,

Patient and chaste.

They are so dear,

God bless our men.

The societyussed the subject that is of vital importance to all our women, the question of being prepared to vote intelligently in the July primary. Mrs. McHugh told of a meeting she attended in Amarillo last week, of a Woman's Good Government League. It was held in the Christian church, with over two hundred ladies attendance. This was the first meeting of the League, and a very enthusiastic one. Mrs. Will Herring is President of the Amarillo League.

The W.C.T.U. hopes that the women of Vernon, Wilbarger county will realize responsibility and become informed of the necessary lines, that they be able to vote intelligently. We worked for the right to participate in the election of men who enact and enforce the laws of our state. We have that privilege. It carries with it serious responsibility. We have hard been the fight to禁liquor, and how difficult it has been to secure legislature regulate saloon, and its allied connect.

Mrs. S. E. Lloyd read a paper on "Equipment for Women" Mrs. McHugh read the poem "Don't Vote." The meeting adjourned with Mrs. S. E. Lloyd for the 28th of June.

PIREPORTER.

RaylaNews

Rayland, May 31 by special correspondence.—Jai Tom Lawson returned home Sunday from Charleston, Tennessee, they have been for the past year attending college.

Miss Ethel Hanvernon visited relatives here last year.

B. P. Abston only visited Mr. Abston's parents da last Sunday.

FUN GUNS SUCCESSFULLY BOMBARD DAY NURSERY—A GREAT VICTORY!

The above remarkable pictorial evidence of the fiendishness of the Hun shows the havoc that resulted when a shell from one of his long range guns fell in a nursery. Many children and their nurses were killed and the remainder terribly injured. While the French mothers, many of them already made widows by the war, were prostrated by this new bereavement, the German people were joyfully celebrating the announcement that monster guns had begun bombarding "the Fortress of Paris."

Odell News.

Odell, May 24.—(By special correspondence.)—The local school will close Tuesday night, when Miss Beulah Callaway's class in music will give a recital at the Methodist Church. There will also be a program Saturday night and one Monday, both in the school auditorium. The entertainment Saturday night will be a musical program, free to all. Monday night a home talent play, entitled, "Topsy Terby" will be staged. An admission charge of 10 and 15 cents will be charged, which will go to the Red Cross.

Saturday night's program includes "Welcome" by eight primary pupils; readings, "A Happy Farmer Lad," Calvin Dooley and "What the Little Girl Said," Ora Shelton; song, "Maryland, My Maryland," sixth and seventh grades; reading, "Save the Pennies," Wilton Lynn; "The Zu Zus," eight primary boys; reading, "Reminding the Hen," Thelma Alice Foster; song, "One Flag," eight primary pupils; reading, "Sister Mollie's Beau," Jesse Crain; dialogue, "Hans Von Smash," seven pupils from sixth and seventh grades; Doll Drill, eight primary girls; reading, "Somebody Did," Pauline Newton; song and march, twelve intermediate pupils; reading, "After School," R. T. Sutton; Sunbeam Drill, twelve intermediate girls; readings, "My Sister's Best Friend," George Dooley, and "When the Minister Comes to Tea," Gilmer Starr; Fairy Drill, ten girls.

Cotton worms are reported to have destroyed a considerable acreage on some farms in the Red River community.

Francis and Jamie Sherwood have returned to their home at Kansas City, after visiting their aunt, Mrs. S. S. Farley. Miss Louise Farley, a cousin, accompanied them home.

Miss Louise Carroll of Chillicothe visited in Odell this week.

Frank Gearhart left Wednesday to visit his brother, R. H. Gearhart at Erick, Okla.

Professor W. T. Blakely made a visit to Fort Worth Friday.

Misses Hadenia and Grace Hester, who have been teaching at Red River, left Saturday for their home at Plains.

Mrs. John Pressley of Mountain View, Okla., visited in Odell this week. She was returning from Mineral Wells, where she visited her sister, Mrs. Nellie Still.

Up to date stationery, nice assortment at T. M. Ferguson Drug Co. Adv. 38-2tc.

Mr. and Mrs. W. M. Hall and Ellis Martin arrived home Sunday from Mineral Wells, where they had been for a week.

LIKE AN ELECTRIC BUTTON ON TOES

Tells Why a Corn Is So Painful and Says Cutting Makes Them Grow.

Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corn, which merely makes them grow, just step into any drug store and ask for a quarter of an ounce of freezezone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug freezezone is harmless and never it flakes or even irritates the surrounding skin.

Miller Tires
UNIFORM MILEAGE
GEARED TO THE ROAD

"We've created a body of master tire builders"

Uniform Tires An Established Fact

AFTER years of vain trials, Miller has finally given to the motor car world Uniform Tires. Not uniform in looks—all tires are that—but uniform in wear.

Miller tires once differed in mileage as others do. Now 99 in 100 Millers outrun standard guarantees.

The remarkable tire triumph has been achieved by riding Miller tires of "Human Variables."

Try Millers once.

You'll never trust to luck again.

KNICKERBOCKERS

To Save is To Serve

The women of America may lend tremendous aid in these turbulent times.

Simply by exercising the woman's prerogative,—by acting in her natural capacity as the censor, and sponsor, and dispenser of her own household.

By a simple system of saving that will work for the general good. By curtailing expense—by eliminating waste—by instituting modern efficiency methods.

By installing in your home the greatest time-savers and money-savers. By employing the power of electricity as the greatest help of the age!

"DO IT ELECTRICALLY."

Save yourself—save time—save effort. Let electric service do your work—more easily, more readily—more economically.

The woman who cleans, sews, washes or irons electrically, finds her housework simplified. Thus she saves time and energy most needful to a nation at war.

Let us give you full information on how to "save work electrically."

CAN'T SEND JELLY
TO FIGHTING MENDANGER OF POISONING SOLDIERS
MAKES RISK TOO GREAT, OFFICIALS SAY.

Canning Clubs will not be permitted to send preserves and jellies to the men who are fighting in France, or who are preparing to go. Advice to this effect was received this morning by Miss Mary Sue Maddox, in charge of club work for girls.

The Director of Extension Work at the Agricultural and Mechanical College of Texas advised Miss Maddox some time ago that jellies and preserves were wanted. She announced the fact through The Record, and received a letter from Naomi Attaway of the Thompson Club to the effect that the club would be called together to make plans for sending something each month. Misses Melissa and Lillian Inmon of Maple Hill asked Miss Maddox to use some of the preserves on which they were awarded prizes last year to send to the soldiers.

While this cannot be done, it is suggested that the girls can do a great deal by turning this product over to the Red Cross, and it is likely the Red Cross will receive a considerable quantity of preserves and jelly each month to dispose of.

The reason given for refusing to permit jellies or other similar products which are donated to go to the soldiers is that it offers a tempting opportunity to some enemy to poison the fighting men. Food articles are accepted only from firms whose responsibility

is beyond question. No chances can be taken with what the soldiers are to eat.

FRANK KLINGLER TO ARMY.

Son of Wilbarger County Man Who Came From Switzerland Says All Should Fight.

Frank Klingler came from Oklahoma, preparatory to entering the army. He will return to Oklahoma City tomorrow and plans to leave immediately for Jackson barracks in New Orleans, La.

Mr. Klingler came with his father from Switzerland, and, not being fully naturalized, it is not obligatory that he enter the army. However, the young man says that his people are indebted to America for many things, they expect to stay here, and he feels that it is even more his duty to fight for the country's rights than if he were a native-born American.

The president of the Oklahoma Stock Yards National Bank, with which Mr. Klingler has been associated for two years, advised the young man that he would find a position waiting for him when he comes back.

The Williams Mill Manufacturing Company of Texarkana, Arkansas, is demonstrating a new method of baling and pressing hay; three tons per hour, using coal oil or kerosene as fuel. Bales are made without the use of blocks. The presses are self-threaders, and are being sold as fast as can be made. The Company guarantees them to be absolutely satisfactory, and to make the prettiest bale of hay possible to be made on a hay press. Adv. 35-4tp.

MEN 21 THIS YEAR
TO ANSWER MANY
QUESTIONS JUNE 5

(Continued from page 1)

as, "Paris, France."

S. Name of employer. Place of employment. If you are working for an individual, firm, corporation or association, state its name. If in business, trade, profession, or employment for yourself, so state. If you are an officer of the State or Federal Government, say whether your office is under the United States, the State, county, or municipality. In answer to the question as to the place of employment, give the number and name of the street, town, county, and State, or R. F. D. number, postoffice, county, and State, where you work.

9. Name and address of nearest relative. If you are married and your wife is living, her name should be stated. If you are single or your wife is dead, you should state the name of your nearest blood relative. In stating the address, give the number and name of the street first, then city or town, then county and State; or R. F. D. number first, then postoffice, then county and State.

10. Race—White, Negro, Indian, or Oriental. No explanation necessary.

Farmers do not wait until the last moment to place your order for farm machinery, for then it may be too late. You should place your order early for Hay Presses, Cane Mills, Peanut Diggers, Threshers, Farm Engines, Feed Cutters, Feed Mills, Grist Mills, Silos, Silo Fillers, Wood Saws, Shingle Mills, Saw Mills, Corn Shellers, Corn Huskers, Peanut Planters, etc. Williams Mfg. Memorial Day, May 30, 1918

At first, Memorial Day was a day of memories; the graves of the brave men who gave their lives in the Civil War were decorated with flowers; a sign that a grateful people had not forgotten the supreme sacrifice these men made.

Then the day gradually became a popular holiday; games, sports, picnics, were more important than heroic memories; the original idea of the day was in danger of being lost.

Now we have come to a time when Memorial Day can be, and should be, consecrated anew; when we may look back with rev-

We shall do our daily work, whatever it may be, with a better spirit if we keep that idea before us.

WOULD BE LEGISLATOR.

J. Tom Haynes of County Line Submits His Name to Voters—Is Active in Farmers' Affairs.

J. Tom Haynes of County Line announces The Record to announce his candidacy for representative from the 104th district. Mr. Haynes lives in Wichita, and gets his mail in Wilbarger county. He says he is a farmer who does his own farming; is president of the Farmers Gin Company, and vice president of the Farmers Warehouse Company, both of Electra. He is also State committeeman of the State Bonded Warehouse and Market Association of Texas.

Mr. Haynes suggests that some who do not know him by name will recall him as a brother of H. H. Haynes, commissioner of precinct No. 4 in Wichita county.

Mr. Haynes believes that he is acquainted with the needs of this section of Texas, and knows what an efficient administration of the State requires from a legislator. Adv. 1tp

WILSON AIDS THE FARMERS.

President Issues Proclamation Putting Farm Machinery Dealers Under License After June 20.

All persons and firms engaged in the importation, manufacture, storage and distribution of farm machinery and equipment, except those specifically exempted by the Food Control Act, will be placed under license June 20 under a proclamation issued by President Wilson.

This action is regarded by the President as necessary to assure an adequate food supply and is expected to meet the insistent complaint of the farmers that the prices of their products were being regulated, but that there was no regulation of the things they had to buy.

PLANS 76 CONCRETE SHIPS.

Board to Build Fifty-Eight More Bottoms to Cost Forty-Two and One Half Million Dollars.

The shipping board has decided to proceed immediately on a larger scale with the building of concrete ships. In addition to the eighteen concrete ships, aggregating 117,500 tons, already contracted for, it was announced that fifty-eight others, at a cost of about 42 to 42 million dollars, will be ordered as soon as sites for the four new government yards are chosen.

Virtually all the new ships will be 7,500 tons, and many of them will be tankers for the oil trade.

BURBANK HAS "SUPER-WHEAT."

It Contains 14 Per Cent Gluten and Will Grow Anywhere, He Says.

A "super-wheat" containing 14 per cent gluten, has been evolved by Luther Burbank after experiments extending over eleven years, it was announced at Santa Rosa, Calif. It may be grown from the Hudson Bay to Patagonia.

The new wheat is said to be of the winter variety, very hardy and producing a very white flour. Mr. Burbank has turned his attention to a new rye and barley, in which he hopes to increase the amount of gluten now obtainable in these grains.

Former Vernon Girl Weds.

PLAN A LABOR RESERVE.

May Use Men With Deferred Classification in Industries Necessary to Winning War.

A new plan of subjecting young men in the draft age, who have been given deferred classification because of dependents, to calls for labor in needed war factories and industries, has been prepared in the provost marshal general's office and submitted to the President for approval.

At the young men thus called would receive a compensation for this work sufficient to care for their dependents, the condition that necessitated their being exempted from active military service would be ameliorated. About 4 million young men will be subject to this call if the plan is carried out.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

Look at Tongue! If Coated, Clean Little Stomach, Liver Bowls.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowls are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a tea-spoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little giving today saves a sick child tomorrow. His advertisement notified people in Wilbarger county that he wanted to buy their parkers.

"I might have gotten out over the county, spent eight or ten times as much, and gotten half that many hogs," he said yesterday. "But there is no other way they could have been gotten with so little expense and such small expenditure of time as advertising."

MUSCULAR TROUBLES A SERIOUS CONDITION

Many of the most annoying troubles are centered in the delicate muscles and sensitive nerves that control the movement of the eyes. Some of these defects are manifest, as where one eye turns inward or outward, but in cases where it turns slightly upward or downward, the defect is hidden and only indicated by the extreme annoyance and suffering caused, while the sight may be exceedingly keen.

Expert Knowledge Required

Cases of this kind require specially ground, prismatic lenses to overcome the trouble and set the eyes at rest as they should be. These lenses must be fitted with extreme care by an Optometrist of experience and judgment. In mild cases relief may be obtained by exercising the rotary muscles under his direction.

Our Success Very Gratifying

We have been highly successful in treating cases of muscular insufficiency and, if given the opportunity, will be pleased to explain this condition fully with the help of scientific charts in our possession.

LOCAL MINISTER TO ACCEPT PARIS CALL

RESIGNATION OF REV. BEN M. EDWARDS ACTED ON BY BOARD SUNDAY.

Rev. Ben M. Edwards resigned the pastorate of the Central Christian Church of this city Sunday afternoon to accept a call to a church of the same denomination in Paris. The resignation becomes effective immediately. Rev. Edwards preached his last sermon Sunday night and will leave the latter part of the present week for his new field.

The call was extended by unanimous action of the Paris congregation, and came in the nature of a surprise to both Rev. Edwards and the local church. A committee mentioned the matter to him last week and he informed its members that he was under obligation to the Vernon church for having consented to his attendance at the Texas Christian University during the last two years to complete his education and that he could not consider a call without the consent of the local church.

Accordingly the committee from the Paris church came here and discussed the matter with the official board of the local congregation, with the result that Rev. Edwards was released from whatever obligation he may have felt himself under. The resignation was then submitted and accepted.

The Paris church pays a salary of \$3,600 a year and the committee announced that a parsonage would be built at once. Only one other Christian Church in Texas pays a higher salary. It is in Dallas, but it does not furnish the pastor with a home. The Paris congregation is the third strongest of the denomination in the state, and has only recently completed a \$70,000 church building.

Rev. Edwards has been pastor in Vernon six years, coming here from Quanah. Under his leadership the Vernon congregation has developed into one of the strongest in this section of the state. During his pastorate, the local church has entertained one district missionary convention and one state lectureship, and one member of the congregation was honored with election to the presidency of the state convention of the Disciples of Christ.

Rev. Edwards has been active in affairs outside of his church work, the Chamber of Commerce, chautauqua and other civic activities. His local friends, while rejoicing over his promotion, regret to lose him and his family from Vernon.

The officials of the local congregation have taken no steps to secure another pastor, but this will be done within the next few weeks. The names of several ministers have been submitted for consideration, but no calls have been extended.

The members of the Paris committee were: O. L. Gregory, C. Few and B. L. Billingsley.

CROWNOVER'S FORD UPSETS.

Car in Which Three Young People Were Returning From Tolbert to Odell Turns Over.

Archie Crownover suffered a broken arm and his two sisters, Misses Mamie and Nancy, were badly bruised Sunday evening of last week, when a Ford car in which they were driving from Tolbert to Odell turned over. The young people had attended the Sacred Harp singing at Tolbert, and were returning home.

It is said the car was running on one rim, and when a rough place in the road was reached it upset.

Young Crownover's right arm was broken between the elbow and wrist. Miss Nancy was rendered unconscious as a result of the fall, and her sister received many bruises.

Mrs. Bowers Sells Most Baking Powder

Mrs. L. J. Bowers won first prize for selling most R. B. M. baking powder when it was on sale at various stores in Vernon recently. Second prize was awarded to Mrs. Perry Griffiths. Frank Penick of the R. B. M. Company of Altus advises that 3,500 pounds of R. B. M. baking powder was sold in one day in Vernon. This is more than he has disposed of in any town in Oklahoma or Texas in a similar length of time.

For Sale.

A number of pulleys and shafts that were used in the Record office before installing motors. This is a chance for the one who needs something like this to get a bargain at half price. Also an inch and a quarter line-shaft about 12 feet long, with plenty of overhead hangers, etc.

For Active Service

American business has been motorized. For both short and long hauls the gasoline truck has proven itself a thoroughly efficient form of transportation. And no intelligent field Executive would dream of tackling his job without the proper equipment—a dependable touring car or roadster.

It would amaze you to know how many Lawyers, Doctors, Architects, Contractors and Specialty Salesmen have adopted the Paige. These men have bought their cars for *active service*, and they have been influenced in their selection by practical considerations only. They deliberately sought out the car that would offer the greatest dollar-for-dollar value—and they found it in the Paige.

SAYS ALL CAN HELP IN WAR.

Rev. Ben M. Edwards Tells How Many Are Failing Because of Selfishness.

The Good Samaritan was the subject of a sermon by Rev. Ben M. Edwards at the Central Christian Church Sunday night. The occasion was a patriotic service for the Red Cross.

Referring to the Priest and Levite, the "good" men of the time, Rev. Edwards said they passed by, afraid to help the wounded man, lest thieves should set upon them. But the good Samaritan came along and even though the man was an enemy, whom he felt sure would not help him if the man were well, yet he risked his life to care for the wounded enemy.

"And the record is that this man saved himself, saving others," Rev. Edwards said. "Jesus says, 'he that would save his life shall lose it, and he that would lose his life, for my sake, shall save it.'

"In the war we have many calls, and some of our people are saying 'I can't help any more.' They are actually losing their lives trying to save self."

Referring to Admiral Schley's remark after the destruction of *Ceviera's*

Spanish fleet, "There is glory enough for all," Rev. Edwards declared that whether it be the man in the trenches, the aviator, scouting aloft and sending back word as to the enemies' movements, the "dough" boys, the man here in America, the mother in the home who is teaching her children the lessons of noble living, or the child helping by buying Thrift Stamps, when the great struggle is over there will be glory for all who have done their best.

To Give Tom Thumb Wedding.

Miss Willie Carroll's kindergarten class will give its closing exercises at More's theater next Monday night. The program will be featured by a Tom Thumb Wedding, but there will also be solos, duets, songs, and various exercises by the little folks. An interesting program is assured. An admission of twenty-five and thirty-five cents will be charged, and the proceeds will all go to the local Red Cross.

A Useful Pain

Vernon People Should Hold Its Warning.

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles.

Use Doan's Kidney Pills. Profit by this nearby resident's experience.

T. J. Praytor, Seymour, Texas, says: "I had pains in my back, which finally got so bad I couldn't stoop over or lift anything. The kidney secretions contained sediment and passed too frequently. I often became dizzy and specks seemed to float before my eyes. Four boxes of Doan's Kidney Pills freed my back from the aches and pains and regulated my kidneys."

Price, 60¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Praytor had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. Adv. 38-26.
